Forecast for Monday 26 Jul 2021

Weather: Low cloud to start the day across northern ranges, this burning off through the morning. Then some spells of warm sunshine, this setting a few slow-moving showers in the afternoon and evening with an isolated thunderstorm possible. Some ranges will remain dry.

Chance of cloud free mountain/hill tops above 800m: 80%

Visibility: Poor in early low cloud below 300 metres in the north of the region at first. Otherwise generally good with cloud mostly above the highest summits, although lowering to 900 metres in heavy showers or thunderstorms
